Washington County Virginia Sheriff Fred Newman has announced that the Sheriff's Office will be conducting a series of community meetings during the month of September. "This will give the citizens of our county the opportunity to voice their concerns," stated Sheriff Newman. "By holding these community meetings, our Sheriff's Office can gain insight into problems that may be occurring in our communities. I would appreciate the citizens coming forward and letting us know what their concerns are. I am of the opinion that if I don't know what the problem is, I can't fix it."

The dates and locations for these community meetings are listed below: They will coincide with the Neighborhood Watch meetings in each section of the county. Each meeting will begin at 7:00 p.m., except for the Hayers Gap Meeting, which will begin at 10:30 a.m.
