6. Consideration of Adoption of By-Laws, General Policies & Operating Procedures of the Board of Supervisors, Calendar Year 2008

Mr. Reeter presented to the Board for their final review the By-Laws, General Policies & Operating Procedures for calendar year 2008. He explained the changes to the documents include a revised budget calendar and the a new Section 5, Operating Guidelines of the Board of Supervisors added to the Operating Procedures. Mr. Reeter further explained that the School Board has requested a joint meeting with the Board to discuss the school's budget for FY 2008-2009 on Thursday, January 24 with an alternate date of Monday, January 28. This meeting was originally scheduled for February 7, but this date conflicts with the VACo/VML Legislative Day event in Richmond, VA.

Discussions ensued among the Board.

Mrs. Mumpower advised the Board that she would not be able to attend the joint meeting with the School Board on January 24 and asked that the Board consider scheduling the meeting for January 28. The Board by consensus scheduled the joint meeting with the School Board for Monday, January 28 beginning at 7:00 PM at the School Board Offices.

Mr. Owens brought to the Board's attention language in Article 8.3 of the By-Laws which states that the Vice Chairman shall be seated to the right of the Chairman. He suggested that this language be changed to say that the Vice Chairman shall be seated to the Chairman's left. After discussion among the Board, it was consensus of the Board to amend the language as suggested by Mr. Owens.

Mr. Price inquired about public hearings and asked for clarification about whether or not people addressing the Board during a public hearing are supposed to speak only to the matters pertaining to the nature of the public hearing. Ms. Phillips explained people addressing the Board during a public hearing should speak only to the nature of the public hearing. She further explained that the Board should not consider voting on any requests not related to the subject matter of the public hearing.

Further discussions ensued among the Board.

Mr. Price inquired about Section 5.4. of the new operating guidelines that says a Board member will abstain from voting only when there is a conflict of interest. He explained that sometimes when he abstains from voting it is because he does not have enough information on the matter. Mr. Price further explained that the By-Laws states

that when a Board member steps away from the Board table at the time a vote is taken that Board member will be counted as having cast an abstaining vote. Mr. Price asked if there was an item of business that he did not want to vote could he not step away from the Board table. He stated that he does not think the Board should take away a Board member's right to abstain. Discussions ensued among the Board.

Mr. Price inquired about Article 17.m. of the By-Laws that reads "If a primary or substitute motion is made at a Board meeting where at least six (6) members are present and the motion is voted on and fails, the same or a substantively similar motion cannot be reconsidered by the board during that fiscal year except by a primary or substitute motion made by a member of the Board who voted on the prevailing side where there are no less than six (6) Board members present, and only if two-thirds (2/3) of the Board members present vote to reconsider the motion again." He asked that in situations where there is a tie vote on a motion meaning there is no prevailing side, how can that particular issue be brought back before the Board for reconsideration, or does a Board member have to wait a year to bring the matter before the Board?

Discussions ensued among the Board.

Ms. Phillips explained that she would research Mr. Price's question in more detail. However, she believes that if there were a tie vote then the motion would fail so any of the Board members voting against the motion would be considered the prevailing side.

Further discussions ensued with some Board members feeling that if there were a tie vote on a motion that any Board member could bring the matter back to the Board for reconsideration.

Ms. Phillips stated that she would research the question and bring an answer to the Board at the January 22 Board meeting.

Mr. Price commented on Article 2.2.4. of the General Policies that reads "The Sheriff of Washington County may establish policy for smoking and use of oral tobacco products within the County Jail." He stated that the County no longer has a jail.

At this time further discussions ensued about abstaining from voting on an item of business.

Mr. McCrady commented that unless a Board member has a conflict of interest they should vote on an item of business and not abstain. He further commented that Board members not only represent their respective districts, but represent all of the citizens of Washington County.

Mr. Price stated that there are times he does not have enough information to vote aye or nay on a matter.

Mr. Taylor commented that in situations where a Board member does not feel they have enough information on an item of business that it would be better to vote with the prevailing side. Then if a Board member obtains additional information they could bring the item back before the Board at a future meeting for reconsideration.

Mrs. Mumpower inquired to the Ms. Phillips if the Board's By-Laws, General Policies and Operating Procedures had to be approved at this meeting or could they be approved with stipulations addressing Mr. Price's concerns. Ms. Phillips explained that the Board could delay adoption of the By-laws, General Policies and Operating Procedures. She further explained that these documents are guiding principals and are not rules that are enforceable with penalty. The operating guidelines of the Board were arrived at by participation of all members of the Board to cause meetings to go smoothly and effectively. They are not meant as rules that would result in making some action not valid. If the Board wished to delay action for additional consideration, or changes to be made that is the Board's prerogative.

Mr. Reynolds asked if the documents could be amended. Ms. Phillips stated that the Board can amend their By-Laws, General Policies and Operating Procedures at any time. Mr. Reeter explained that in previous years the Board has made some amendments to these documents after they were adopted at the annual meeting.

Further discussions ensued.

Mr. Taylor recommended adding language to Section 5.4. of the new Operating Guidelines to say that Board members will abstain from voting only when there is a conflict of interest or to be in conformance with the Board's By-Laws. He stated that this would address the concern of Mr. Price.

Mr. Owens inquired about Article 6.3.4. of the General Policies that reads "At the conclusion of the second, third and fourth quarters of the County fiscal year, a Quarterly Budget Report shall be prepared by the County Administrator or his designee." He asked if the Board receives this report. Mr. Seamon explained that the Quarterly Budget Report is included in the Consent Agenda and that the report is provided for the second and third quarters of the fiscal year.

At this time, Mr. McCrady proposed a new Section 3.3 of Article 3 of the By-Laws that would limit the term of the chairman to two consecutive terms. He explained that this would open up the chairmanship for other Board members that may wish to serve in this capacity.

Discussions ensued among the Board concerning Mr. McCrady's proposed amendment.

Mr. Reynolds inquired about Mr. McCrady's rationale for the proposed amendment to the By-Laws. Mr. McCrady explained that other Board members may be interested in serving as chairman. Also, a change in leadership every two years would change the dynamics of the Board.

Mr. Price stated that he believes in term limits for the Board of Supervisors, but in regards to term limits for the chairman, the Board should look at the Board member that has the time to serve as chairman and the one who has done a good job in that position.

Mrs. Mumpower stated that she agrees with Mr. McCrady in that each Board member should have the opportunity to serve as chairman if they are qualified.

Mr. McCrady stated that his proposal was not meant against any individual on the Board and is not anything against Mr. Reynolds, who has done a good job as Chairman. He further stated that it is good to change the dynamics of the Board every couple of years.

Mr. Price commented that because things in the County are changing and new people are moving in that continuity is important. He stated that the Board was free tonight to nominate and vote on a new chairman. Further discussions ensued.

It was suggested that the term for the Vice-Chairman's position be limited to two consecutive terms. After further discussions the following motion was made:

On motion of Mr. McCrady, second by Mrs. Mumpower, the Board acted to add a new Section 3.3 to the Board's By-laws that would limit the term of Chairman and Vice Chairman to two consecutive terms. Further discussions ensued prior to the vote being taken on this motion.

Mr. Reynolds stated that if the Board approves the proposed amendment they will be limiting themselves because not everyone has the time to serve as chairman.

Mr. Taylor stated that he agrees with Mr. Reynolds but for different reasons. He explained that all politicians work with one another in a political way. All Board members should compete with one another if they want to be

chairman. By the same token the chairman should understand there are expectations of them to do a good job, and if they do not do a good job there are other Board members that may want to become chairman. To set a term limit for the chairman would not benefit the County or the Board of Supervisors very well. Mr. Taylor further stated that Article 3 of the By-Laws should stay as written.

Mr. Reynolds explained that the Board may not want to make a change in the chairmanship should the Board be involved in certain projects where continuity is important. He gave the example of the Southwest Virginia Regional Jail Project and the importance to that project that there was continuity with Joe Derting serving as chairman of the Board.

Mr. Price believes Article 3 of the By-Laws should stay as written.

Mr. Owens explained that many of the County Boards, Authorities and Committees have term two term limits. He commented that the Governor of Virginia can only serve one term, and that Virginia is a state leaning toward term limits. If the chairman is limited to two consecutive terms then it would open the position for other Board members that want to participate in the leadership of the Board. Mr. Owens stated that if a Board member has a full time job it may be difficult for that member to serve as Chairman; however there are instances where arrangements could be made.

Mr. McCrady explained that the intent of his proposal was to broaden the horizons of the Board of Supervisors. He further explained that Mr. Reynolds has done a good job as chairman. However, the term limit would keep the Board from having a political battle should another member of the Board wish to serve as chairman.

The vote on this motion was as follows: (4-3)

| | |
|----------------------|------------|
| <i>Mr. McCall</i> | <i>Aye</i> |
| <i>Mr. McCrady</i> | <i>Aye</i> |
| <i>Mrs. Mumpower</i> | <i>Aye</i> |
| <i>Mr. Owens</i> | <i>Aye</i> |
| <i>Mr. Price</i> | <i>Nay</i> |
| <i>Mr. Reynolds</i> | <i>Nay</i> |
| <i>Mr. Taylor</i> | <i>Nay</i> |

At this time, a motion was made by Mr. Taylor, second by Mr. McCrady to add language to Section 5.4 of the Operating Guidelines of the Board of Supervisors within the Operating Procedures that says Board members will abstain from voting only when there is a conflict of interest or to be in conformance with the Board's by-laws.

The vote on this motion was as follows: (7-0)

| <i>Mr. McCall</i> | <i>Aye</i> |
| <i>Mr. McCrady</i> | <i>Aye</i> |

The Board by motion with second and majority vote of those present may eliminate any of the above items in the Order of Business for a specific meeting or meetings, or through the time of the

next Annual Meeting in its entirety, and may also restore any item so eliminated or add other items by like Action of Record at any meeting.

7.3. A request for modification of the Meeting Agenda shall be made from the Board Table and only by members of the Board, County Administrator, or County Attorney. Approval of modification requires majority vote of Board members present. A modification made at the time of Approval of the Agenda shall be reflected in the Minutes of the Meeting at which the modification was made. Items scheduled for action on the Meeting Agenda may be deferred to a later time in the meeting by consensus of the Board members or by recorded vote. Items previously acted upon during the course of the meeting may be revisited at a later time in the meeting by consensus of the Board members or by recorded vote.

7.4. The Board shall take no Action of Record on any matter that is not on the Meeting Agenda unless a modification to the Meeting Agenda is requested at the time of Approval of the Agenda. Modification of the Meeting Agenda requires a majority vote of Board members present. Upon Approval of the Agenda, no further modifications may be made except as provided for in paragraph 7.3. Closed Meetings and business matters brought before the Board under Board Member Reports are exempt from the provisions of this paragraph.

7.5. The Meeting Agenda and supporting documents comprising the Meeting Agenda Book should be delivered to members of the Board a minimum of three (3) calendar days in advance of the meeting date. The supporting documentation should include recommendations on actions prepared by county administrative personnel and other county officials if a recommendation is available and appropriate. The Meeting Agenda Book may be rendered in electronic format for use by the Board at its discretion.

Article 8. Conduct of Meetings of the Board of Supervisors

8.1. The Board shall generally follow Roberts' Rules of Order Newly Revised (10th edition), the provisions of Article 8.4. notwithstanding. In following these rules of parliamentary procedure, the Board intends that special attention will be given to the following:

- a. Protecting the rights of each individual member of the Board, county administrative employees and the public.*
- b. Preserving and ensuring a spirit of harmony and cooperation within the Board, and between individual Board members.*
- c. Allowing full and free discussion among the members of the Board in order to ensure that all viewpoints are considered prior to taking action on behalf of the county.*

8.2. Where provisions of these By-laws differ from similar procedures established by Robert's Rules of Order, provisions of these By-laws shall prevail.

8.3. At any official meeting of the Board, all members of the Board present at such meeting, the County Administrator or Assistant County Administrator, County Attorney, Recording Clerk (or person acting in the capacity of the Recording Clerk) and County Accounting Manager as may also be present are authorized to be seated at the Board Table during the conduct of said meeting. The Chairman or Acting Chairman shall be seated in the center position of the Board Table, with the Vice-Chairman or Acting Vice-Chairman to his right. In the absence of the County Administrator from a Board meeting, the Assistant County Administrator shall serve in his capacity. In the absence of both the County Administrator and Assistant County Administrator, the County Attorney shall serve.

8.4. The following rules and procedures shall prevail at meetings of the Board:

- a. A quorum of the Board is a majority of the membership comprising at least four (4) of the seven (7) members of the Board. A quorum must be present to Call to Order and continue an official meeting and to take Action of Record.*
- b. The Chairman shall Call to Order an official meeting at the designated time and determine a quorum. If a quorum is not present at the designated time, the Chairman may direct a delay of up to fifteen (15) minutes in the start of the meeting at his discretion. Any further delay in the start of the meeting may be made with the consensus of the Board members or by recorded vote.*
- c. Should for any reason a quorum not be maintained continuously during any official meeting, the meeting shall adjourn at that time. A Board member's physical presence on the grounds of the location of the meeting shall be considered as being present at the meeting and satisfactory for the maintenance of a quorum. Board members shall notify the Chairman if required to leave the grounds of the location of the meeting, either temporarily or for the remainder of the meeting.*
- d. All informal and formal discussions of Items of Business and Actions of Record must be made from the Board Table. Any Board member away from the Board Table but maintaining physical presence at the meeting location at the time of an Action of Record will be counted as having cast an abstaining vote.*
- e. Informal discussion of an Item of Business by Board members is permitted while no primary or substitute motion is pending.*
- f. A second to a primary and substitute motion is required in order to formally discuss and/or vote upon the motion. Voting shall be by show of hands. The Chairman shall verbally summarize the vote upon conclusion of an Action of Record, noting by individual name those Board members abstaining or voting in the minority on the Item of Business.*
- g. Any member of the Board may terminate debate or discussion of an Item of Business and call for a vote on a pending motion by "calling for the question" after being recognized by the Chairman.*
- h. An abstaining vote is neither an affirmative nor a negative vote and has no effect on the vote, or the status of the quorum.*
- i. A tie vote fails. The Board does not designate a tiebreaker pursuant to § 15.2-1421 of the Virginia Code.*
- j. A substitute motion will be voted on prior to the primary motion, in reverse order (i.e. the substitute motion will be voted on first). Only one (1) substitute motion will be considered prior to a vote on the primary motion.*
- k. The Chairman is authorized to speak in discussions, and can vote on all motions and/or all questions but may not "call for the question" or make a primary motion, substitute motion or second. The Chairman may temporarily relinquish the position and conduct him/herself as a member of the Board for the purpose of making a primary motion on an Item of Business. The Chairman may do so by passing the gavel to the Vice-Chairman or Acting Vice-Chairman prior to the start of discussion of an Item of Business. Upon completion of the Item of Business, the gavel shall be returned to the Chairman.*
- l. A primary motion may be amended prior to vote with the concurrence of the originating Supervisor of the primary motion, and with second. The amended primary motion is then treated as the primary motion, and not a substitute motion. A primary motion may not be amended if a substitute motion is pending until conclusion of vote on the substitute motion. An amendment to a primary motion opposed by the originating Supervisor shall not be voted on until action is taken on the original primary motion.*
- m. If a primary or substitute motion is made at a Board meeting where at least six (6) members are present and the motion is voted on and fails, the same or a substantively similar motion cannot be reconsidered by the*

Board during that fiscal year except by a primary or substitute motion made by a member of the Board who voted on the prevailing side where there are no less than six (6) Board members present, and only if two-thirds (2/3) of the Board members present vote to reconsider the motion again.

n. A primary or substitute motion may be made to tentatively act upon an Item of Business where a final Action of Record is anticipated at a later date. All Items of Business tentatively acted upon by the Board shall be considered bound by the tentative action if not otherwise reconsidered by the Board within three (3) calendar months of the date of the tentative action.

o. A motion to Table an Item of Business for consideration at a future meeting, or to remain Tabled indefinitely may be made either as a primary or substitute motion but not by consensus agreement. An action to Table an Item of Business to a later time within the same meeting may be passed by consensus of the Board members or by recorded vote.

8.5. The following protocols will be followed at meetings of the Board:

a. Official meetings of the Board are open to public observation and, as set out herein, public participation. When not addressing the Board and/or attending public as herein described, those present at an official meeting shall be respectful of the rights of others.

b. Board members are to be polite and courteous in addressing other members of the Board and all those present at Board meetings, and all Board members are to maintain proper decorum in their conduct at meetings of the Board (i.e., refrain from "name calling", derogatory remarks and other forms of personal affronts).

c. Those persons and organizations with Items of Business before the Board should be represented at an official meeting if so requested by the Board of Supervisors, individual members of the Board, the County Administrator, County Attorney, or any person acting on behalf of these.

d. Those persons and organizations with Items of Business before the Board may address the Board upon recognition and invitation of the Chairman to approach the Podium, whereupon they shall identify themselves, any title and organization they represent, and provide a mailing address to facilitate any correspondence needed subsequent to the Item of Business. As a guideline, presentations to the Board pursuant to an Item of Business should be limited to ten (10) minutes. The Chairman at his discretion may end a presentation after such time has elapsed or may permit continuation of it. The Board by Action of Record may overrule the Chairman's decision in this regard.

e. The discourse of those presenting at the Podium shall be made part of the Minutes of the Meeting subject to Article 9 of these By-laws.

f. Those individuals of the public attending any official meeting of the Board of Supervisors without an approved Item of Business on the Meeting Agenda or modification thereof shall not be permitted at the Podium at any time other than during the Open portion of a public hearing. No person shall address the Board during an official meeting from the audience unless recognized by the Chairman.

g. At any official meeting of the Board where a public hearing is set on the Meeting Agenda, or a Public Hearing of the Board pursuant to Article 6.4, the Chairman shall first permit general presentation and discussion of the matter of the public hearing from the Podium and/or from the Board Table. At the conclusion of such presentation/ discussion, the Chairman shall Open the public hearing and invite those of the public attending the meeting to the Podium to comment.

h. At the discretion of the Chairman, or with the consensus of the Board members or by recorded vote, those speaking during the open portion of a public hearing may be limited to a specified length of time for comments

at the Podium. The Chairman at his discretion may provide a verbal advisory to a speaker at the Podium when thirty (30) seconds remain of the specified time to conclude comments. During public hearings, speakers may address the Board only on matters pertaining or germane to the issue for which the public hearing is being held. No speaker is to engage in political statements, personal attacks upon members of the Board of Supervisors, county employees or officials, or any other person, nor are speakers entitled to use abusive language or discuss matters outside the issue for which the public hearing is being held. Violation of this rule shall enable the Chairman by directive to take appropriate measures to rule the speaker out of order and to have the speaker removed from the meeting, if necessary and take such other steps the Chairman deems appropriate, including bringing appropriate charges against the person and bringing the charges in the name of the Board of Supervisors.

i. No discourse at a public hearing, whether during general presentation and discussion or during the Open portion of the hearing is required to be entered into the Minutes unless conducted at the Podium.

j. The Chairman may limit the number of those wishing to speak at a public hearing when in the Chairman's judgment a fairly representative exchange of views and comments on the matter has been achieved.

k. Questions asked by speakers during the course of the Open portion of a public hearing shall be addressed at the conclusion of the speaker's comments by the appropriate party, and before the next speaker approaches the Podium. The Chairman may permit deviation from this rule.

l. Upon conclusion of speakers at the Podium, the Chairman shall close the public hearing. A motion with second and majority vote of a quorum of Board members present at a public hearing shall overrule the Chairman's decision to close the public hearing or to limit speakers, in which event speakers may continue until the Board by majority vote ends the public hearing. A motion with second and majority vote of a quorum of Board members present shall also close the public hearing in this event. An Action of Record may be taken at the close of a public hearing at the discretion of the Board.

m. Board Member Reports shall facilitate the presentation of comments, reports and proposed Items of Business not otherwise part of the Meeting Agenda by individual Board members in round table fashion. Matters may be presented for information, discussion and action and/or scheduled for further consideration as an Item of Business at a future meeting of the Board. When speaking during Board Member Reports, Board members shall be limited to ten (10) minutes, at which time the Chairman may at his discretion suspend further presentation from the Board member and request action by consensus agreement of Board members present at the Board Table to permit additional time to conclude the presentation. No Board member shall yield time or place under Board Member Reports to any other Board member or other person. No member of the Board shall have any other position reserved for them on the Meeting Agenda other than under Board Member Reports.

8.6. The Board may at its discretion adopt specific rules and procedures relative to the conduct of certain types of public hearings other than those set forth in this Article. Such specific rules and procedures shall be adopted in the manner prescribed for amendment of these By-Laws set forth in Article 13 and shall become part of these By-Laws upon adoption. Where a public hearing is conducted by another party on behalf of or before the Board, the rules and procedures governing that public hearing shall be as prescribed by the party conducting it.

Article 9. Minutes of the Meetings of the Board of Supervisors

9.1. At all official meetings of the Board at which a quorum is present Minutes of the meeting shall be taken and shall be approved by the Board and recorded in the office of the Washington County Clerk of Circuit Court.

9.2. Public Information Meetings and Workshop Meetings as defined in these By-laws may be recorded as Minutes at the direction of the Board. At any such meeting where an Action of Record is taken, Minutes shall be taken and approved by the Board and recorded.

9.3. Pursuant to § 15.2-1536 and § 15.2-1538 of the Virginia Code, the County Administrator shall serve as Clerk of the Board and shall carry out the duties specified in § 15.2-1539 of the Virginia Code. The County Administrator may designate a Recording Clerk to take and prepare the Minutes of the Board and to assist in the exercise of the office of Clerk of the Board. Minutes shall be prepared on the basis of both written notes and audio recordings. Where technically possible, audio recordings shall be made of all official meetings of the Board, subject to the provisions of Paragraph 9.2 of this Article. The specific language of the Minutes of any given meeting shall be at the discretion of the County Administrator, who shall endeavor to render the Minutes in the most accurate and neutral way possible. The County Administrator shall review and correct all Minutes prior to dissemination to the Board for adoption.

9.4. The Board may at its discretion generally prescribe the form and content of the Minutes of its meetings in keeping with professionally accepted standards for it. At minimum, the Minutes shall contain the styling of the Item of Business stated on the Meeting Agenda or modification thereof, the Action of Record, the vote by individual member or consensus expression of the Board, or directive of the Chairman. Where practical, a brief synopsis of any discussion of the Item of Business shall also be included.

9.5. Minutes of any meeting shall generally be presented at the next or following Regular Meeting of the Board where at least five (5) working days exist between the successive meetings.

9.6. Minutes shall not be considered official until approved by the Board and recorded. After approval of the Board but prior to recordation, the County Administrator may make additions or corrections to the Minutes that do not materially affect the substance or content of the Minutes. These include, but are not limited to: correction of misspellings, typographical errors and incorrect grammar; page renumbering; clarification of content and errors of omission. Should evidence of an error in a recorded vote be discovered after approval but prior to recordation, the County Administrator shall attempt to verify it and correct by the best available means, including corroboration by individual Board members and other reliable witnesses to the meeting.

9.7. Should an error or evidence of an error in the Minutes of any Meeting of the Board be discovered after recordation, the County Administrator shall bring the error before the Board at the next official meeting as is practical. The Board by vote of a majority of those members present at the meeting at which the error was made shall correct the Minutes by amendment. Members of the Board not present at said meeting shall abstain from voting on the correction. Should no majority of Board members present at the meeting in which an error was made in the Minutes be or remain seated as members of the Board, a majority vote of the presently seated Board members shall then correct the Minutes by amendment.

9.8. Amendment to the recorded Minutes of any Meeting shall be entered as an Action of Record in the Minutes of the Meeting at which the amendment was made. In addition and where practical as determined by the County Administrator or Recording Clerk, the recorded Minutes shall be altered to include the amendment, either by insertion of a new, corrected page in sequence or by separate Amendment Addendum at the beginning or first page of the recorded Minutes of the Meeting to be corrected. Whether by insertion of a new corrected page or by Amendment Addendum, the correction shall be clearly documented as a correction of previously recorded Minutes, indicating the first date of recordation, the date of Board action to amend the Minutes, and the date of recordation of the amended Minutes.

9.9. When audio recordings of Board meetings are made, the County Administrator shall cause their preservation for a period of time not to exceed two (2) calendar years from the date of the meeting, at which time they may be discarded. Where preserved, audio recordings shall be considered publicly accessible without charge upon prior appointment for review through the office of County Administrator.

9.10. *When video recordings of Board meetings or portions thereof are made, the preservation of said recordings shall be at the discretion of the County Administrator. The Board may at its discretion direct the preservation of specific recordings, and the County Attorney may request preservation of specific recordings only if such recordings are needed to support legal proceedings, pending or anticipated.*

9.11. *Verbatim transcription of the proceedings of any meeting in its entirety shall not be undertaken except by majority vote of the Board and only in instances where excerpted verbatim transcriptions of a portion or portions of the proceedings are insufficient to address the need. Any verbatim transcription generated, whether of an entire meeting or portion(s) thereof, shall not be adopted or made part of the official Minutes of any meeting.*

9.12. *Individual members of the Board and the County Attorney may request excerpted verbatim transcription of a portion or portions of any meeting through the County Administrator. If requested by a member of the Board, the County Administrator and/or the Recording Clerk will make a reasonable effort to generate a requested transcription prior to any subsequent meeting of the Board; the generation of such transcription is subordinate to the preparation and review of the Minutes and other duties and responsibilities of the involved personnel. A request by the County Attorney shall be made only if such transcription is needed to support legal proceedings, pending or anticipated. The County Administrator at his discretion may make any verbatim transcription requested generally available to all members of the Board.*

9.13. *Unapproved Minutes shall be released publicly upon incorporation into and completion of the Meeting Agenda Book. At the discretion of the County Administrator, unapproved Minutes may be released publicly at an earlier time; availability of completed unapproved Minutes shall not compel release at such earlier time.*

9.14. *No recording device shall be used during any Closed Meeting of the Board unless the majority of the members of the Board present at the meeting vote to allow recording of the Closed Meeting. Any such recording shall remain in the sole custody of the County Administrator, County Attorney, Chairman or other member of the Board designated by the Board.*

ARTICLE 10. APPOINTMENTS OF THE BOARD OF SUPERVISORS

10.1. *The Board at its discretion may, and where required and in accordance with the Virginia Code or other law, shall from time to time establish and make appointments of its members and other persons to various positions, groups, organizations, committees, advisory boards and other bodies, both formal and informal, for such purposes as are in the interest of the Board and county.*

A vacancy in the Director's position may be filled by a majority vote of*

the Board at any Regular or Special Meeting. The Director may be removed from that position and a successor appointed to fill the remainder of the original term by majority vote of the Board at any official meeting. During an impending or declared state or local emergency, in the absence of the Director of Emergency Services, the Chairman or Vice-Chairman of the Board shall assume the duties and responsibilities of that position pursuant to the Virginia Code. In the event either the Chairman or Vice-Chairman is the Director, the County Administrator shall serve as the third designee to assume responsibility in the absence of the Chairman or Vice-Chairman. The Director of Emergency Services or any member of the Board acting in such capacity shall exercise only those powers granted in § 44-146.21 of the Virginia Code. The Emergency Services Coordinator of the county shall be an administrative employee of the office of County Administrator, subject to the personnel policies of the Board.

10.6. The Board shall officially recognize no prerogative of any of its members to make or nominate appointments to any group, organization, committee, advisory board or other body except in accordance with the provisions of these By-laws or other law.

10.7. Where no term limit for an appointment is otherwise established or prescribed, the term of appointed Board of Supervisors members shall be for two (2) years or the remainder of their term on the Board, whichever is less; and for non-Board of Supervisors appointees, one (1) year. Appointments may be for successive terms.

11.1. Pursuant to § 15.2-1411 of the Virginia Code, the Board may at its discretion establish Committees of the Board and Advisory Boards by Resolution and vote of a majority of the Board members at any official meeting. A Resolution establishing any Committee shall state the purpose and scope of activities of the Committee, including any specific responsibilities for and grant of authority to pursue the matter for which it has been established. The Resolution shall state the composition of the members of the Committee, either by name or title, and may designate who shall chair the Committee, by name or title. No member of the Board shall be appointed to a Committee if not present at the meeting at which appointments are made. A majority vote of a quorum of the Board is needed to appoint Committee members.

11.3. Unless otherwise specified within the establishing Resolution, Committees shall be re-established and Committee appointments made at each Annual Meeting of the Board. 11.4. Unless otherwise specified within the establishing Resolution, Committees shall organize and direct their own affairs in the manner that their members deem appropriate to the matters that they are charged. These include, but are not limited to, adoption of Committee by-laws or procedures, designation of Committee officers, the taking of Minutes of Committee meetings, the appointment of sub-committees or working groups, solicitation of assistance in pursuit of Committee matters, and such other things as deemed appropriate by Committee members.

Unless specified, no Committee or Advisory Board member shall receive compensation.

11.8. Committees of the Board and Advisory Boards shall only be established pursuant to this Article. The Recommended County Operating Budget shall show such line-item expenditures as may be adjusted by the County Administrator at his discretion. The format for presentation of the Proposed and Recommended County Operating Budget shall be in accordance with 15.2-2504 of the Virginia Code, as amended, and with the guidelines of the Virginia Auditor of Public Accounts and other applicable standards for local government budgeting practices.

6.2.3. The County Administrator shall prepare and submit a calendar of scheduled County Operating Budget preparation and review meetings (referred to as Budget Adjustment Work Session Meetings) for adoption by the Board at their Annual Meeting. The calendar shall include a presentation of projected revenue estimates and may include one or more joint meetings with the Washington County School Board to review, discuss and act upon as necessary budgetary matters for an upcoming fiscal year. The calendar shall end with a meeting of the Board to adopt the County Operating Budget, establish the County tax rates, and adopt an Appropriations Resolution, such actions which may occur at separate meetings to be held on or before June 30 of each year. Budget requests of less than \$250,000.00 will generally be reviewed, adjusted and given tentative approval in the order in which they appear in the County Administrator's Recommended County Operating Budget. The County Administrator may recommend and the Board may consider certain budget requests of less than \$250,000.00 prior to others in the event those budget requests contain items that should be acted upon prior to July 1 in order to expedite matters for the coming fiscal year. In no event may funds tentatively approved be encumbered or obligated until final adoption of the budget.

6.2.6. Prior to the adoption of the County Operating Budget, any Board member may make a motion to adjust any part of the budget which has already been tentatively approved, regardless of whether the Board member making the motion voted in the minority previously on that particular budget.

6.2.7. The Chairman is empowered to rule a Board member's motion out of order if in the Chairman's judgment the intent of the motion is to halt or needlessly delay progress in the budget deliberation and tentative approval process.

6.2.8. Budget Adjustment Work Session Meetings conducted during weekday evening hours as may be scheduled and approved will begin at 7:00 PM and end no later than 9:30 PM unless a consensus majority of the Board wishes to continue later into the evening. At any such meeting, the Board may table tentative action on any request to a future meeting by vote or consensus of a majority of Board members present.

6.3 Line-Item Transfers

6.3.1. Upon adoption of the County Operating Budget, there shall be no transfer of funds among line-items within budgetary departments of the General Fund and E-911 Project Fund without prior approval of the Board. Requests for Board approval of such transfers shall be directed to the County Administrator or his designee, and shall be presented to the Board as an item of General Business or Consent Agenda at a regular or special meeting. Requests for line-item transfers within the County Library Fund shall be approved by the County Library Board of Trustees prior to such transfers being effected.

6.3.2. Unless otherwise prohibited pursuant to the fiscal year Appropriations Resolution, allocation of expenditures may exceed the amounts budgeted per individual line-item as long as the total appropriation for the budgetary department remains in balance.

6.3.3. The heads of all offices, departments, agencies and organizations shall ensure that expenditures allocated against line-items within their budgetary departments are consistent with the intended purpose of such line-items. Where there exists a discrepancy between the nature of an expenditure and the intended purpose of the line-item to which it is allocated, the County Administrator or his designee may redirect allocation of that expenditure to a more appropriate line-item at his discretion.

6.3.4. At the conclusion of second, third and fourth quarters of the County fiscal year, a Quarterly Budget Report shall be prepared by the County Administrator or his designee. The Report shall show on a line-item by line-item basis all fiscal year-to-date expenditures and balances for all budgetary departments of the various Funds of the County Operating Budget, as well as such other information deemed relevant by the County Administrator for full disclosure of the state of the County Operating Budget. The Report shall be reviewed by the Board as an Item of Business at a regular or special meeting as soon as practical at the end of each quarter fiscal year period.

6.3.5. Excess or unneeded funds originating from the general tax revenues of the County in personnel-related line-items within the various budgetary departments of the General Fund, E-911 Project Fund, and County Library Fund may be administratively transferred to the Reserve for Contingencies line-item of the General Fund at the discretion of the County Administrator. The County Administrator or his designee shall notify the heads of affected budgetary departments at the time such transfers are made. Heads of affected budgetary departments and the County Library Board of Trustees may appeal such transfers to the Board.

6.3.6. The provisions of this paragraph shall not apply to line-items within budgetary departments representing a single total appropriation to a specific office, department, agency or organization.

6.4. Disposition of Revenues

6.4.1. Effective July 1, 1999 and for each successive fiscal year thereafter, all revenues derived from vending machines located on County-owned or County-controlled property shall be deposited into the General Fund of the County.

6.5. Paragraphs 6.1. and 6.3. of this Article shall become effective July 1, 1997 for the County fiscal year beginning July 1, 1997 through June 30, 1998. Paragraph 6.2. of this Article shall become effective April 14, 1998 for the County Fiscal Year 1998-99 Operating Budget preparation process. This Article shall be continued for subsequent fiscal year periods unless amended or abolished pursuant to the provisions of Board's By-Laws.

6.5. Appropriations and Supplemental Appropriations

6.5.1. Effective July 1, 2005 and for each successive fiscal year thereafter, the Board shall not consider appropriation or supplemental appropriation of funds from reserves it may have available for requests submitted as part of the annual County Operating Budget process which were not funded, in whole or in part, as part of that process until after January 1 each year. This policy shall not apply where the County Administrator determines an error or oversight was made in the annual County Operating Budget process that precluded the funding request from being properly considered. Failure by the requesting party to submit its request during annual County Operating Budget process shall not constitute an error/oversight for the purposes of this policy.

6.5.2. The Board may act to suspend the provisions of Paragraph 6.5.1. upon motion with second and majority vote for a particular request for appropriation or supplemental appropriation. The Board may then direct that the request be placed on an upcoming Agenda for formal consideration as an Item of General Business.

6.6. Capital Reserve Account

6.6.1. Effective July 1, 2004 and for each successive fiscal year thereafter, the Board establishes a Capital Reserve Account within the Capital Improvement Fund. The balance in this account represents the County's available unobligated funds for anticipated or unanticipated capital projects and needs. This Reserve shall be separate from funds that may be budgeted annually as reserves for operational contingencies (a.k.a. "Reserves for Contingencies").

6.6.2. The Board plans that the Capital Reserve Account balance will grow when the surplus unexpended and un-obligated revenues from the most recent fiscal year are annually appropriated (in whole or in part) to the Account. All funds within this Account are under the control of the Board for purposes they deem appropriate.

6.6.3. During a fiscal year, the Board may designate or set-aside a portion of the Capital Reserve Account for a particular agency or project. Such designation does not obligate the Board to disburse those funds for those purposes; further, all such designations or set-aside of funds made during the fiscal year shall lapse as of the end of the fiscal year unless otherwise expressly directed by the Board.

6.6.4. Availability of funds from the Capital Reserve Account is contingent upon the formal approval of the Board. At the time of formal approval, available funds will be transferred from the Account to the recipient agency or project budget.

ARTICLE 7. AUDIT REQUIREMENTS FOR RECIPIENTS OF COUNTY FUNDS

7.1. It is the policy of the Washington County Board of Supervisors (hereinafter the Board) to require recipients of County funds in the amount of fifteen thousand dollars (\$15,000.00) or more per County fiscal year be subject to an annual independent financial review or audit. The provisions of 7.8. notwithstanding, this Article shall apply to those organizations that receive an appropriation of \$15,000.00 or more in funds from the general tax revenues of the County from time of appropriation of the County Operating Budget through October 31 of any County fiscal year.

7.2. The guidelines for independent financial reviews or audits shall be recommended by the County auditor and approved by the Board. The approved guidelines shall be set forth in writing and made part of this Article. These guidelines may be amended or modified from time to time upon recommendation of the County auditor and approved by the Board. Organizations may use more stringent review or audit procedures so long as the applicable guidelines are substantially met.

7.3. In general, the County guidelines for reviews or audits shall be for the purpose of establishing and maintaining proper internal controls regarding the expenditure of County funds by recipient organizations. These guidelines shall also be for the purpose of facilitating full disclosure of the nature of expenditure of County funds by or on behalf of recipient organizations. These guidelines shall be liberally construed so as to be inclusive of all transactions involving County funds. To the degree possible, disclosure of the expenditure of other funds of the recipient organization shall be to an extent only to facilitate disclosure of expenditures involving County funds. The guidelines may differ for various recipient organizations so long as the purposes set out herein are satisfied, with prior approval of the Board. A certified public accountant who is not an employee or member of the recipient organization shall be engaged to undertake the review or audit.

7.4. The period covered by the first review or audit shall be for the County fiscal year period beginning July 1, 1997 through June 30, 1998 for organization receiving \$10,000.00 or more in County funds within this same period and for each successive County fiscal year period thereafter as long as the organization continues to receive \$10,000.00 or more in County funds. After July 1, 2006, any organization which receives \$15,000.00 or more in County funds for the first time shall be required to submit a review or audit no later than November 30 of the County fiscal year immediately following the fiscal year when such funds were first received. Where recipient organizations undertake a review or audit in general compliance with the County guidelines on the basis of a calendar year operating cycle other than the County fiscal year, these reviews or audits shall be acceptable as long as a review or audit is submitted for a period encompassing July 1 of the County fiscal year in which such funds were first received.

7.5. Organizations subject to this Article shall forward one (1) copy of their review or audit to the office of the County Administrator no later than November 30, 1998, and each November 30 thereafter for reviews or audits of each successive County fiscal year. Said documentation shall be made available for review by the Board and public within five (5) working days of its receipt unless disclosure would be detrimental to a current or pending criminal or civil investigation of a recipient

organization. The office of the County Administrator shall retain all reviews or audits for a period of two (2) calendar years from the date of their receipt, after which time they may be discarded.

7.6. The Board reserves the right to withhold disbursement of appropriated funds to any recipient organization failing to comply with the provisions of this Article, and to take any other lawful action deemed necessary or appropriate. Specific Board action shall be required to direct withholding of appropriated funds, or to take such other action in response to the failure of any recipient organization to comply with the provisions of this Article. The County Administrator or his designee shall advise the Board as to which recipient organizations fail to meet the November 30 submission deadline. Extensions of the November 30 deadline may be granted by the Board.

7.7. The Board may make available to recipient organizations full or partial funding to defray the cost of reviews or audits, subject to appropriation of funds for this purpose. Failure to provide such funding shall not relieve the requirements of this Article. Nothing herein shall be construed to obligate the Board to provide funding to defray the cost of reviews or audits already required of certain organizations prior to the enactment of this Article, nor to require a separate, independent financial review or audit of any recipient organization which is a component unit of the state, federal and/or local government(s) and already subject to annual audit. Nothing herein shall be construed to relieve or supersede more stringent audit requirements set forth by law.

7.8. The provisions of this Article may be applied to other organizations receiving County funds by majority vote of the Board at any official meeting. The Board may similarly exempt any recipient organization from the provisions of this Article.

7.9. This Article shall become effective July 1, 2006 for the County fiscal year beginning July 1, 2006 through June 30, 2007. This Article shall be continued for subsequent County fiscal year periods unless amended or abolished pursuant to the provisions of Board's By-Laws.

- d. The auditor will test the organization's compliance with laws, regulations, and risk management that are material to the organization. A report shall be issued by the auditor as to the organization's compliance or non-compliance.*

(7). Appointments to Joint County Parks & Recreation Committee

Substantial discussions ensued about the need to continue with the Joint County Parks & Recreation Committee.

Mr. McCrady proposed that the scope of the Washington County Park Authority be broadened to include the overseeing of all parks in the County. He commented that the Park Authority should also have a limit of two consecutive terms.

Mr. Reeter explained that a management agreement for the Leo Muscle Sholes Park was entered into in June of 2003 between the County and the Park Authority. The Agreement states that the County Recreation Department would manage the Park on behalf of the Park Authority. He further explained that essentially the Park Authority agreed that the County could manage the Leo Muscle Sholes Park because they did not have the ability in house to do so.

Further discussions ensued.

Responding to an inquiry from Mr. Owens regarding the possibility of the County Recreation Department overseeing the Washington County Park; Mr. Reeter explained that this would be a fundamental change of the Park Authority as owner of the Washington County Park. He further explained that this issue has not been discussed with the Park Authority.

Mr. McCrady explained that this was not the direction he meant to steer the Board in proposing that the scope of the Park Authority be changed. It was his intent for the Board to decide if three groups (Joint County Parks & Recreation Committee, Washington County Park Authority and the Joint Town of Abingdon/Washington County Sports Complex Steering Committee) were needed to oversee recreation in the County.

Further discussions ensued.

Mr. Reeter explained that the Board re-established this Committee when they adopted the Resolution to Establish/Re-Establish Committees for Calendar Year 2008. He further explained that the Joint Parks and Recreation Committee has a broad grant of power and recommends that the Board not make appointments at this time and place the Committee in a holding pattern.

Mr. McCall inquired if in the Resolution establishing the Joint Town of Abingdon/Washington County Sports Complex Steering Committee if they were charged with managing the sports complex. Mr. Reeter explained that the Joint Town of Abingdon/Washington County Sports Complex Steering Committee was not charged to be the manager or management body for the sports complex.

Mr. Taylor suggested that the Board make the appointments to the Joint Parks and Recreation Committee and that the Committee would meet based on need.

Mr. Owens stated that the Board should make the appointments and then the County Recreation Manager could be told not to schedule meetings unless there is a need.

On motion of Mr. Owens, second by Mr. McCrady, it was resolved to reappoint Supervisors Paul Price and Kenneth Reynolds to the Joint County Parks & Recreation Committee for Calendar Year 2008.

10. Recess

At this time the Board took a five minute recess.

11. County Administrator Reports:

a. Request for Joint Recessed Meeting with Abingdon Town Council – January 16 or 17, 2008

Mr. Reeter explained that the Board requested that a joint meeting with the Abingdon Town Council be arranged to further discuss issues concerning the Abingdon-County Sport Complex Project. Abingdon Town Manager Greg Kelly has advised that the Town Council could meet the week of January 14-17, but that the Council may be limited to three of its five members being able to attend on those days. Mr. Reeter suggested that the Board consider Wednesday, January 16 or Thursday, January 17 for the joint meeting.

Lengthy discussions ensued among the Board concerning their issues related to the proposed Abingdon-County Sports Complex Project. It was consensus of the Board to direct the County Administrator to place the matter of a recessed joint meeting with the Town of Abingdon to discuss the joint sports complex project on the agenda for the January 22 regular meeting and to obtain dates from the Town of Abingdon when all Town Council members could attend the meeting. This will give the Board time to think on the issues and concerns to discuss with the Abingdon Town Council. Also, the Board would like to know the vision of the Abingdon Town Council for the sports complex.

b. Request for Recessed Meeting of Board of Supervisors for County Facilities Committee Report – January 28, 30 or 31, 2008

Mr. Reeter explained that the County Facilities Committee (Supervisors Dulcie Mumpower and Odell Owens) is requesting the Board schedule a recessed meeting to hear a report on the proposed County Government Office Complex Project. He further explained that the majority of the meeting would be held in closed session to discuss proposed acquisitions.

Mr. Owens explained that the Committee has put a lot of work into identifying property for the proposed County Office Complex Project. The Committee has gone as far as they can without further guidance and approval of the Board. He further explained that the Committee would like to present their findings and recommendations to the Board for their consideration and guidance as to how they would like to proceed with the project.

Discussions ensued among the Board.

Mr. Price inquired why a portion of the proposed recessed meeting would be held in closed session. Mr. Reeter explained that there would be an open component to the recessed meeting, but because of property acquisitions matters that need to be reviewed by the Board it is necessary to discuss these issues in closed meeting. Negotiations are on-going with property owners and these property owners have made it clear in writing that negotiations are to be kept in strict confidence.

After further discussion, the Board scheduled the recessed meeting for Wednesday, January 30 at 6:00 PM.

c. Request for Recessed Meeting with Abingdon Senior Services Center – January 14, 15 or 29, 2008

Mr. Reeter explained that Abingdon Senior Services has requested a meeting with the Board for Monday, January 14, Tuesday, January 15 or Tuesday, January 29 to be held at the Senior Services Center to discuss the center's future and financial issues. A dinner would be provided.

The Board discussed the request of the Abingdon Senior Services and by consensus decided not to schedule a recessed meeting primarily because this would establish a protocol to schedule recessed meeting with other agencies to discuss financial issues. Instead it was suggested that Abingdon Senior Services host a supper for the Board of Supervisors and at that time could make a brief budget presentation understanding that there would be no action taken by the Board. This type of event has been the practice of agencies such as the Library and Airport Authority. A public notice of the supper would

be posted. The Board requested that Abingdon Senior Services schedule the dinner for January 17 at 6:30 PM at the Abingdon Senior Center.

d. Reminder: VACo/VML Legislative Day – February 7, 2008

Mr. Reeter asked the Board to let his office know if they wished to attend the VACo/VML Legislative Day so that registration and hotel arrangements could be made. Supervisors Jack McCrady and Kenneth Reynolds stated that they would attend.

e. Board Group Photography Session – February 12, 2008

Mr. Reeter advised the Board that the 2008 Board group and individual photographs will be taken beginning at 6:00 PM on Tuesday, February 12 prior to the regular Board meeting.

12. County Attorney Reports:

a. Request for Public Hearing and Consideration of Proposed Ordinance to Vacate Lot from the Don & Virginia Preston Subdivision, Madison Magisterial District

Ms. Phillips explained that she is asking for authorization to schedule a public hearing and prepare an ordinance to vacate the lot referenced above. She reviewed the materials related to this matter that were provided to the Board.

On motion of Mr. Price, second by Mr. McCrady, the Board acted to authorize the County Attorney to process the requested ordinance and schedule a public hearing.

The vote on this motion was as follows: (7-0)

14. Board Member Reports

Mrs. Mumpower requested that the evaluations of the County Administrator and County Attorney be placed on the Agenda for a Board meeting in February or March.

Mr. Taylor reported on two training sessions he attended since being elected to the Board. The first session held in Blacksburg, Virginia provided an overview of conflict of interests, the Freedom of Information Act and planning legislation, specifically the Urban Development Designations which will be of particular importance to the County’s Joint Land Use Steering Committee. The second training session was the New Supervisors Forum held in Richmond, Virginia. Mr. Taylor explained that during this session he learned that services such as storm water management and treating of storm water will no longer receive federal funding. Also, there was discussion about localities becoming involved in maintaining certain streets and roads.

Mr. Taylor addressed the issue of billboards in the County. He proposed the Board impose a moratorium on the placement of any new billboards until the Board has had the time to address signage issues. Mr. Taylor stated his dissatisfaction with the new billboards that have been installed in the County and further stated that if the County is going to be in the tourism business then these billboards should not be permitted.

A motion was made by Mr. Taylor, second by Mr. McCrady to exercise a moratorium on the placement of any new billboards.

Ms. Phillips explained that she is not aware of statutory authority that the Board would have to place a moratorium. She further explained that if there is not statutory basis for moratoriums that she does not recommend the Board enact one.

Based on the recommendation from Ms. Phillips, Mr. Taylor withdrew his motion.

The Board devoted substantial discussion to the issue of billboards. They specifically discussed the two ordinances that were considered but not adopted at the October 16, 2007, joint meeting with the Planning Commission. One ordinance proposed would have required special exception permits for new general advertisement signs in B-2 Zoning Districts. The second proposed ordinance would have prohibited new general advertisement signs in B-2 Zoning Districts.

Ms. Phillips recommended this issue be placed on an Agenda for a future Board meeting as an item of business for the Board to review the ordinances further.

Mr. Reeter explained that a third ordinance was presented to the Board at a meeting following the October 16, 2007, joint meeting with the Planning Commission that would have required special exception permits for new general advertisement signs, but placed more restrictions on the special exception permits. Mr. Reeter said he could place the three ordinances that the Board has previously considered on the Agenda for January 22 for the Board's review and discussion. The Board could make a recommendation to the Planning Commission that the County Zoning Ordinance be amended.

It was consensus of the Board to direct the County Administrator to place on the Agenda for the January 22 regular meeting as an item of business the three ordinances pertaining to general advertisement signs that were previously brought before the Board.

Mr. Owens reported that Steve Buston with the Virginia Department of Transportation (VDOT) will be on special assignment in Richmond for a month. Robert Hurt will be the local VDOT contact in Mr. Buston's absence.

Mr. Owens reported that Tom Taylor and he attended a meeting at the Department of Social Services regarding the fuel assistance program. There were a number of representatives from Bristol Virginia Utilities, oil companies and town council representatives in attendance at this meeting. Currently there is a drive under way to raise money to assist low income individuals with fuel assistance. Bristol Virginia Utilities is lining up funds. The Town of Abingdon has appropriated \$10,000.00. Mr. Owens asked the County Administrator to place on the January 22 Agenda discussion about making some type of appropriation for fuel assistance to be disbursed through Faith in Action or the Department of Social Services.

15. Adjourn or Recess

On motion of Mr. Owens, second by Mr. Price, it was resolved to adjourn the meeting.
