

To Contractors for Invitation for Bids for Brushing Grinding Services at Washington County Closed Landfill:

The following questions were received from a vendor. In order to keep everyone informed, here are the questions and answers:

1. Would you be able to provide the estimated tonnage of the current accumulated debris pile at the Washington County Closed Landfill? **The estimated tonnage of the current accumulated debris pile is approximately 700-800 tons.**
2. Do you need factory documentation on all 3 pieces of equipment or just the grinder? **Factory documentation is only needed for the grinder. Please refer to page 5, III Instructions to Bidders: Bid Submittal, Questions, and Award, Item A, Submittal of Bid section and Attachment 4 Bid Form under Equipment description.**
