The following questions were received from vendors. In order to keep everyone informed, here are the questions and answers:

1. Does the Animal Shelter include the other side of the road (the big sink hole) on the left, heading towards the firing range, or just the area around the Animal Shelter building? **Mowing for the Animal Shelter does include the big sink hole. The big sink hole needs to be mowed every two weeks.**
2. Does the road going to the firing range need mowing or just starting when the land opens up and goes back around the Animal Shelter? **Yes, the road going to the firing range needs to be mowed.**
