WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

Position Description:

Job Title: County Administrator

Department: Office of County Administrator

Supervised by: Board Of Supervisors

Revised Date: July 1, 2011

Title: County Administrator

Department/Division: Office of County Administrator/County Administration

Nature of Work:

- Administers the affairs of the County as chief administrative officer of the County within the framework of County policies, ordinances and state statutes, particularly Section 15.2-1541 of the 1940 Code of Virginia as amended.
- Provides overall responsibility for financial management, preparation and administration of the County's annual budget, county planning, community and economic development and supervision of general County projects and agencies that are under the direct control of the Board of Supervisors.
- Acts as the chief personnel officer of the Administrative Division.
- Officially represents the governing body from time to time as authorized and directed.
- Prepares reports, directives and other materials as required to perform duties.
- Serves as an advisor to the Board of Supervisors regarding the professional administration and conduct of County government.
- Serves as zoning and subdivision administrator for the County and as purchasing agent and budget officer.

Essential Duties:

- Clerk of Board of Supervisors: Serves as Clerk to the Board of Supervisors and sets the agenda for the Board of Supervisors meetings.
- Director of County Departments & Functions: Perform, supervise, direct and advise County departments including funds management, personnel management, analysis of management problems, physical plant and property assets management, public information, procurement of equipment, supplies and services with the primary objective of continuous improvement in the delivery of governmental services, with special emphasis on quality customer service and public relations.
- Contact Point for the Board of Supervisors: Provide a contact point for all citizens with suggestions, problems or complaints. Keep the Board of Supervisors informed and advised on these matters

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

- Liaison for Officials & Boards: Provide liaison between the Board of Supervisors and all elected and appointed County officials, agencies, boards, authorities and commissions.
- Interprets Policy: Interpret when necessary and devise means for executing and carrying out policy established by the Board of Supervisors. Perform feasibility studies as needed.
- County Budget: Prepare and administer the County budget. Sign all warrants. Monitor expenditures and appropriations.
- Purchasing Practices: Oversee County purchasing practices as may be carried out by County employees and officers as County purchasing agent.
- County Property & Records: Protect and maintain County property and preserve county records.
- Legislative Reports: Study and report on legislative proposals with particular reference to those affecting the welfare or business of the County.
- County Image & Economic Development: Promote a good relationship between the County government and citizens of the County by establishing and maintaining a positive image of the County. Actively promote and encourage the continued community and economic development of the County. Promote and encourage feasible and economically desirable cooperative projects with neighboring political jurisdictions.
- State & Federal Agencies: Maintain contact with state and federal agencies and officials in regard to local programs. Perform all duties as set forth in the statutes of the Commonwealth of Virginia fixing the duties of the County Administrator.
- Zoning Administrator: In consultation with the County Zoning Official, County Attorney and others, to interpret, rule upon and enforce the provisions of the County zoning and subdivision ordinances in the capacity of zoning and subdivision administrator when necessary.
- Attendance: Regular attendance during normal operating hours is required.
- Perform other Duties as Directed by the Board of Supervisors.

Job Requirements Needed:

- Thorough knowledge of the duties and mission of local governmental units and the methodology and procedures of administration, management, economic development and finance.
- Strong management and effective leadership to deliver high quality public services in an efficient manner.
- Knowledge of good public utilities operations, building and facility management and public services.
- Flexible and able to adjust to changing leadership.
- Ability to partner and collaborate with multiple groups in developing solutions to meet the needs of the County.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

Position Description:
Job Title: Executive Assistant/Public Information Officer
Department: Office of County Administrator
Supervised by: County Administrator
Revised Date: August 17, 2016

Title: Executive Assistant/Public Information Officer

Department/Division: Office of County Administrator/County Administration

Nature of Work:

- Provides secretarial and clerical support and public relations services to the Office of County Administrator. Requires interpretations and explanations of established policies governing County operations and programs and handling sensitive and confidential matters. Serves as Recording Clerk to the Board of Supervisors and County Records Management Coordinator pursuant to the Virginia Public Records Act. Serves as the County's Administrative Division Public Information Officer. Uses advanced communication and interpersonal skills and must be able to assist the public, elected officials and County employees with accuracy and professional poise.

Essential Duties:

- Secretarial: Serves as secretary to the County Administrator. Provides assistance to the County Attorney as needed and minor clerical assistance to others as directed by the County Administrator.
- Board of Supervisors Correspondence: Prepares correspondence independently or on the basis of brief notes, including correspondence for members of the Board of Supervisors in the exercise of their office.
- Recording Clerk: Regularly records Minutes of the Board of Supervisors and other official meetings as needed in the manner prescribed and at the direction of the County Administrator. Edits and revises Minutes after preliminary review by the County Administrator and/or County Attorney and as officially amended by the Board of Supervisors. Provides verbatim transcripts of Minutes of the Board of Supervisors at the direction of the County Administrator. May certify Minutes taken in the capacity of Recording Clerk where appropriate. Files official Minutes with the Clerk of Circuit Court.
- Official Agendas: Complies and organizes information and materials and prepares Agendas for all official meetings of the Board of Supervisors. Assemble other materials and documents for the Board of Supervisors.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

- Report & Document Review: Prepares or reviews for acceptability routine reports, documents, memos, financial data and other material, including sensitive or confidential information as authorized, relating to County operations. Reviews for acceptability information prepared for public release subject to approval of the County Administrator.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

Position Description:
Job Title: County Attorney
Department: Office of County Attorney
Supervised by: Board Of Supervisors
Revised Date: July 1, 2011

Title: County Attorney

Department/Division: Office of County Attorney/County Administration

Nature of Work:

- Provides legal advice and services to the Board of Supervisors and the County Administrator; supervises work of retained legal counsel and of staff attorney(s), if any; and supervises work of Legal Assistant. Responsible for all County Attorney Office activities and functions, including representing the Board of Supervisors and County Administrator in civil, governmental and any criminal actions in both defense and plaintiff positions, in litigation and advisory capacity. Confines legal advice and services to legal aspects, as opposed to administrative advice, which is the responsibility of the County Administrator. The County Attorney serves as legal advisor; serves at the pleasure of the Board of Supervisors, and acts at direction of the Board of Supervisors, and the County Administrator on a day-to-day basis.

Essential Duties:

- County Government Representative: Represent the County central government, its departments and any other assigned sub-units or appointed agencies of the Board of Supervisors, such as Planning Commission and Board of Zoning Appeals. Provide these departments and agencies with legal advice and services. (If a conflict of interest arises, the County Attorney will withdraw in favor of the Board of Supervisors). As work load allows and upon request, provides legal counsel and/or litigation representation to the constitutional officers when such activity does not conflict with the interests of the Board of Supervisors or County Administrative offices.
- Civil & Criminal Actions: Initiate and respond to civil and criminal actions on behalf of the County, with primary emphasis on civil and constitutional law.
- Legal Advice: Provide legal advice on matters of civil, criminal, constitutional and administrative law. Work closely with the County Administrator to provide legal advice in short and long range planning in order to help determine desirable alternative courses of action to provide more efficient and effective services to the Board of Supervisors and the public.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

- Legal Review: Provide legal review and advice on matters pertaining to state and local legislation, contract preparation and review, real estate transactions, economic development activities, and other matters as necessitated by County activities. Oversee the review of all contracts before execution of contractual documents and agreements.
- Personnel Policies & Practices: Manage and review all basic personnel functions of the County to ensure that local personnel policies and practices are in compliance with federal and state regulations and guidelines.
- Litigation: Defend the Board of Supervisors and County Administrator in any actions or litigation brought against them and prepare and file lawsuits as necessary to enforce local regulations or otherwise to represent the interests of the County.
- Delinquent Tax Collector: Coordinate services with the County Treasurer for collection of delinquent taxes by retained legal counsel and/or, taking appropriate action as necessary to collect delinquent taxes, such as sending out notices and initiating litigation, making court appearances on behalf of the County, etc.
- Ordinances & Documents: Research and draft ordinances and other legal documents, as necessary or requested, in a timely manner.
- County Liaison: Develop and maintain a positive and effective liaison with other governmental officials and the public pertaining to legal matters.
- Legal Counseling: Ensure, through legal counseling, that statutory requirements and contractual deadlines are met to avoid litigation, comply with contractual obligations, avoid claims against the County, and to comply with various funding requirements.
- Board & Staff Meetings: Attend all meetings of the Board of Supervisors, staff meetings of the County Administrator, and other meetings as required.
- Attendance: Regular attendance during normal operating hours is required and prior approval of planned scheduled leave time is necessary to provide adequate coverage of these essential job duties. Any unscheduled leave taken can severely disrupt the operation of the County Attorney's Office.
- Perform other Duties as Directed by the Board of Supervisors or County Administrator.

Skills and Knowledge Needed:

- Professional knowledge of civil, criminal, constitutional, administrative, contractual, real estate, tax and civil rights laws.
- Considerable knowledge of modern legal practices relating to governmental law and its application to County governments in Virginia; and extensive knowledge of the philosophy and principles of courtroom protocol, conduct and techniques.
- Exceptional oral and written communications skills; providing brief, concise and definitive legal opinions in a timely manner.
- Confidentiality; good and mature judgment. Knowledge and ability in the principles of psychology and sociology to facilitate the effective outcome of the

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

purpose of legal counsel in a public environment, providing a positive image of the County government.

- Ability to independently conduct legal research, formulate effective legal strategies, respond to and follow up on requests from the Board of Supervisors and County Administrator in a prompt and timely manner.
- Outstanding ability to maintain a harmonious working relationship with the Board of Supervisors, County Administrator, other employees and the public.
- Agreement to reside within the County, or within one hour's drive of the County seat at the option of the Board of Supervisors.
- Agreement to work exclusively for the County, with no formal private practice.
- Proficiency with data processing and database including: Microsoft Word; Excel; Power Point and Outlook.
- Juris Doctorate degree, with admission to the Virginia State Bar. Appropriate legal authorization to practice law in the Virginia State Court system and the capacity to obtain certification to appear in Federal District and Appeals courts, if necessary. Administrative, advisory and governmental or business legal practice experience; demonstrated knowledge of proficient legal practices and the Code of Virginia as pertaining to County government in Virginia. Ability to plan, organize and present legal positions in a timely manner. Requires exceptionally good and mature judgment and common sense.
- Significant public contact is required and the position requires independent decision-making and action.

Job Location and Conditions:

- Work is performed in the office setting at the Washington County Administrative Office. May be required to report to work after or before regular business hours and during emergency conditions.
- Performs work safely in accordance with County safety policy and procedures and specific departmental safety procedures.

GENERAL APTITUDES and PHYSICAL REQUIREMENTS:

- **Mental Abilities:** Must have ability to reason and make judgments, to understand and follow oral and written instructions, to guide/give instructions and to make decisions in accordance with established procedures and policies.
- **Speaking/Talking Abilities:** Must have ability to answer the telephone, communicate with County officials; general public; vendors; supervisors and or with other employees.
- **Technology:** Must have ability to use current electronic technology for legal research, document preparation, and communications purposes.
- **Hearing/Listening:** Must have ability to communicate with County officials; public; vendors; supervisors and or other employees.
- **Reading/Ability to Read and Understand Text:** Must have ability to read and understand text.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

Position Description:

Job Title: Director

Department: Budget & Finance Department

Supervised by: County Administrator

Revised Date: November 18, 2015

Title: Director

Department/Division: Budget & Finance Department/County Administration

Nature of Work:

- Responsible for oversight of the County's Budget and Finance function and advises the County Administrator and Board of Supervisors on major budgeting and accounting. Generally is responsible for developing and implementing administrative policies and procedures relative to budget; general ledger; procurement; accounts payable and payroll. Work is performed with a wide degree of latitude for the exercise of independent judgment and action.

Essential Duties:

- Financial Records Management: Monitor all County general ledger activity, reconcile monthly with Treasurer's Office all revenue and expenditure postings and perform monthly financial records files closing. Coordinate with Financial Reporting Consultants to ensure the County's financial and accounting data and systems are in compliance with Generally Accepted Accounting Practices and meet the requirements of the State Auditor of Public Accounts.
- County Budget Preparation: Responsible for preparation of the county Annual Budget in conjunction with County Administrator guidance. Participate in forecasting and estimating revenues from federal, state and local sources. Compile all agency, department and organization budget requests and prepare a balanced Proposed County Budget. Assist County Administrator with preparation of his Recommended County Budget.
- Budget & Accounting Assistance: Assist County Administrator; County Agencies; County Departments and charitable Organizations with matters relating to budget; financial reporting; procurement; payroll and special projects.
- Attendance: Regular attendance during normal operating hours is required and prior approval of planned scheduled leave time is necessary to provide adequate coverage of these essential job duties. Any unscheduled leave taken can severely disrupt the operation of the Budget and Finance Department.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

- Chief Accounting Advisor: Serve as the chief accounting advisor to the County Administrator. Participate in the formulation of County accounting policies and regulations. Regularly attend and participate in meetings of the Board of Supervisors. As directed by the County Administrator, attend and participate in meetings of various appointed committees, advisory boards, panels and other task-specific groups.
- County Procurements: Responsible for proper procurement of large contracts. Review Invitation for Bids (IFB) and Request for Proposals (RFP) before issuance, ensure proper evaluation of bids and proposals received and review recommendation of contracts to be awarded. Review and update County procurement policies and procedures.
- County Operating Budget: Regularly report budget and financial data to the County Administrator and Board of Supervisors.
- Security & Personnel Functions: Serve as a security officer for the County's computer systems in coordination with the County Director of Information Systems.
- Perform other Duties as Required

Job Requirements Needed:

- Demonstrated ability to maintain information strictly confidential, attention to detail and works courteously and effectively with staff and public.
- Thorough knowledge of accounting and financial methods, procedures and techniques; as well as state/federal grants management and fund management. Thorough knowledge of generally accepted accounting practices; pertinent laws; regulations and ordinances applicable to local governments.
- Ability to prepare and maintain accurate financial records and reports. Considerable knowledge of office equipment, practices and procedures.
- Proficiency with data processing and database including: Microsoft Word; Excel; Power Point and Outlook.
- Graduation from an accredited college or university with a BA or BS degree in Accounting (CPA is strongly preferred). At least 5 years of accounting, auditing or business management experience; of which 3 years must have been in a responsible supervisory or administrative capacity. Virginia Contract Officer Certification must be possessed or obtained within 2 years of hire date.

Job Location and Conditions:

- Work is performed primarily in the office setting at the Washington County Government Center Building. May be required to report to work after or before regular business hours and during emergency conditions.
- Performs work safely in accordance with County safety policy and procedures and specific departmental safety procedures.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

Position Description:

Job Title: Director of Community Development

Department: Community Development

Supervised by: County Administrator

Revised Date: March 29, 2021

Title: Director of Community Development

Department/Division: Community Development

Nature of Work:

- Performs advanced professional work related to a variety of planning functions. Responsible for the oversight of the County's Economic Development, County Comprehensive Plan, Zoning and Building Development Services. Provides professional advice and technical assistance to various Boards and Commissions. Works with a grant writer for administration of grant proposals. Uses strong interpersonal and public relations skills to work effectively with various officials, staff, citizens and other customers.

Essential Duties:

- Provides technical assistance regarding interpretation and application of the County Comprehensive Plan, zoning and subdivision ordinances and development of short- and long-term economic development plans.
- Provides professional advice regarding overall County land-use policies and practices as well as rural, urban and regional planning issues.
- Serve as an advocate for economic development. Works to develop land use regulations designed to encourage economic development goals, as directed by the Planning Commission and Board of Supervisors, and to communicate with specific economic development prospects.
- Provide information and/or make presentations to supervisors, boards, commissions, civic groups, businesses, individuals, and the general public on economic development issues, programs, services, and plans. Maintain a liaison with various local, State and Federal agencies.
- In consultation with the County Attorney, prepares and submits proposed amendments to land use ordinances, comprehensive plan, and other land use regulatory instruments as directed by the County Planning Commission or Board of Supervisors.
- Reviews and provides written and oral analysis of significant proposed land-use activities for use by County staff, the County Planning Commission, County Board of Zoning Appeals, and Board of Supervisors.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

- Provides professional advice and technical assistance to the County Planning Commission, County Board of Zoning Appeals, Economic Development Committee, Industrial Development Authority and acts as staff liaison between the Board of Supervisors and those bodies.
- Oversees the County's Annual Project Report as well as preparing and managing the annual budget for the Department of Community Development.
- Attends meetings and other functions of various local, state and federal governmental entities and other organizations as necessary to stay abreast of developments having a direct bearing on the County's land-use regulatory plans and economic development activities.
- Promote a high quality of life for all County citizens through community initiatives and by fostering open dialogue within the community and among neighbors, leaders and elected officials.

Job Requirements:

Education and experience equivalent to graduation from an accredited college or university with a Master's Degree in community, urban and/or regional planning. At least (3) years of professional experience in planning, economic development or an equivalent combination of education, training and work experience. Significant responsible experience may be substituted for preferred educational requirements. AICP (American Institute of Certified Planners) and IEDC (International Economic Development Council) certifications are preferred. Thorough knowledge of professional principles of sound land-use planning, comprehensive development plans, zoning and subdivision code construction, interpretation and enforcement practices. Working knowledge of geographic information system databases and ability to develop, maintain and use statistical and spatial database systems.

Skills Needed:

- Strong English written and oral communication skills including the editing, oversight or preparation of technical reports, as well as the presentation of information to government entities and various committees.
- Demonstrated ability to understand and work within the context of the political environment of local government and to work courteously and effectively with elected and appointed officials, staff and public.
- Proven effective and persuasive leadership comfortable with all levels of staff, public officials, citizens and others
- Experience includes innovative, detail-oriented management of highly visible/controversial projects
- Proven experience with citizen involvement techniques and processes
- Proficiency with electronic research databases and word processing and geographic information system software.
- Comfortable with public speaking in a variety of settings
- Demonstrated strong staff management skills.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

Position Description:

Job Title: Zoning & Subdivision Official

Department: Community Development Department

Supervised by: County Administrator

Revised Date: April 27, 2020

Title: Zoning & Subdivision Official

Department/Division: Community Development Department/County Administration

Nature of Work:

- Administers the County zoning and subdivision ordinances on a day-to-day basis. Serves as Zoning & Subdivision Official of the County Department of Community Development. Provides technical assistance to the public, County Planning Commission, Board of Supervisors and County Board of Zoning Appeals with respect to zoning and subdivision issues. Investigates zoning and subdivision ordinance violations, in coordination with the County Attorney. May issue various permits for the County Department of Community Development, as authorized by the County Building Official.

Essential Duties:

- Applications Review: Reviews applications for and issues various types of zoning and building permits required for the preparation, construction, renovation, and remodeling of sites, buildings and structures in the County. Examines sketches, site plans, plats, deeds, and other supporting documents required for such permits for adequacy and compliance as required by Virginia law, County ordinances and administrative policies. May serve as County zoning and/or subdivision code administrator pursuant to Virginia law, as authorized by the Board of Supervisors.
- Compliance Inspections: Investigates and performs zoning and subdivision compliance inspections and in coordination with the County Attorney and County zoning and subdivision administrator, takes appropriate action where violations occur consistent with administrative policies or directives of the Board of Supervisors.
- Public Hearings: Coordinates public hearings on zoning and subdivision matters before the County Planning Commission, County Board of Zoning Appeals and Board of Supervisors pursuant to Virginia law, County ordinances and administrative policies. Acts as staff assistant to the County Planning Commission and County Board of Zoning Appeals with respect to the meetings and activities of those bodies.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

- Technical Advisor: Serves as the County's first point of contact and technical advisor to the public regarding zoning and subdivision compliance issues.
- Minutes & Records: Maintains the official minutes and records of the County Planning Commission and the County Board of Zoning Appeals as authorized and records and files of the Department of Community Development (Zoning).
- Agenda Materials: Prepares and distributes all meeting agenda materials for the County Planning Commission, County Board of Zoning Appeals and Board of Supervisors relative to zoning and subdivision matters.
- Administrative Duties: Performs administrative duties required for the Zoning operation and Zoning budget preparation and administration.
- Attendance: Regular attendance during normal operating hours is required and prior approval of planned scheduled leave time is necessary to provide adequate coverage of these essential job duties. Any unscheduled leave taken can severely disrupt the operation of the Community Development Department.
- Perform other Duties as Required

Job Requirements Needed:

- Demonstrated ability to maintain information strictly confidential, an attention to detail and works courteously and effectively with elected and appointed officials, staff and public.
- Thorough knowledge of zoning and subdivision code construction, interpretation and enforcement.
- Practical knowledge of sound land-use planning principles.
- Ability to plan, organize and direct programmatic functions involved with zoning and subdivision codes.
- Education and experience equivalent to graduation from an accredited college or university with a major course of study and training in community, urban and/or regional planning, real estate development, economics, geography or public administration preferred. Minimum of 3 years of responsible experience in zoning/subdivision ordinance compliance and enforcement. Responsible experience may be substituted for preferred educational requirements.

Job Location and Conditions:

- Work is performed primarily in the office setting at the Washington County Administrative Office and traveling in the County as needed. May be required to report to work after or before regular business hours and during emergency conditions.
- Performs work safely in accordance with County safety policy and procedures and specific departmental safety procedures.

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

Position Description:	
Job Title:	Coordinator
Department:	Emergency Management
Supervised by:	County Administrator
Revised Date:	April 14, 2015

Title: Coordinator of Emergency Management

Department/Division: Emergency Management Department/County Administration

Nature of Work:

- Oversees the County Department of Emergency Management Department and serves as liaison between the County and the County's fire, rescue and other emergency response organizations to support appropriate, adequate and timely response to various emergency situations within the context of a primarily private, volunteer-based system of fire and rescue units. Serves as the County's coordinator of emergency management pursuant to § 44-146.19 of the Code of Virginia. General duties include responsibility for the overall operation of the department including day-to-day delivery of all services, planning and analysis of present and future needs and management of all departmental personnel, resources and facilities. Responsibilities include the supervision of all assigned employees, developing and managing the approved departmental budget and pro-actively responding to the needs of emergency response organizations, personnel, citizens and elected officials.

Essential Duties:

- Oversees Emergency Agencies: Coordinates and monitors performance of and evaluates fire, rescue and emergency response organizations functions, operations and capabilities, including developing and maintaining an overall assessment and inventory of personnel, training, equipment, vehicle and facilities. Evaluates and alters as necessary service district boundaries for fire and rescue units in coordination with unit leadership.
- Fire, Rescue & Emergency Organizations Funding Requests: Reviews and makes recommendations (with support from the Emergency Services Committee) upon requests for County funding from fire, rescue and other emergency response organizations for operational support, personnel expenses and vehicle and equipment purchases. Identifies need for, develops and reviews/monitors various agreements, contracts, permits. etc. to ensure proper relationships between and performance criteria/expectations of fire, rescue and other emergency response organizations. As departmental

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

resources permits, provides assistance to fire, rescue and other emergency response organizations in financial management and insurance billings.

- Strategic Goals & Work Plans: Develops departmental strategic goals and work plans and coordinates all work plans with fire, rescue and other emergency response organizations. Develop, update, maintain and distribute various official plan and other resources documents, including County Emergency Operations Plan. Develop/maintain departmental webpage on County website. Coordinates meetings and work of Local Emergency Planning Committee and such other committees, boards and other bodies as may be involved or concerned with departmental affairs and operations.
- Volunteer Training: Identify and facilitate needed training of volunteer personnel for rescue, firefighting, group sheltering and other emergency response operations. Develops, facilitates, participates in and evaluates unit performance during various training seminars and exercises, including mock disaster exercises. Assist emergency response agencies to develop and recommend efficient, effective and economical protocols to ensure safe responses and timely delivery of services.
- Department Liaison: Maintain communications with and act as liaison between state agencies, Emergency Management Department, County Administrator, Board of Supervisors and the various County and regional fire, rescue and other emergency response organizations.
- County Emergency Operation Center: In coordination with the Washington County Sheriff's Office , develop, equip and maintain a primary County Emergency Operation Center (EOC) in a constant state of readiness from which to direct operations in time of County-wide emergency.
- State & Federal Reports: Prepare and submit various reports to state and federal authorities relative to County emergency services and response capabilities and fulfill all requirements as set out under law/regulation for county coordinators of emergency management or equivalent positions. Serve as hazardous materials coordinator for the County. Provide periodic activity reports for all fire, rescue and emergency organizations.
- Official Public Contact: County Administrator or designee will serve as point of public, press and official contact for all issues related to County public safety and emergency management. Provide field-response as necessary to emergency incidents and provide assistance on-scene as needed. Coordinates activities of all emergency relief and assistance organizations during disasters and subsequent recovery operations in-County.
- Grant Administration: Submit applications for grant and other funding sources related to County emergency services and provide for proper grant administration and compliance. Identify needs for both professional and non-professional consulting and services necessary for proper departmental operations, undertake procurement of same and oversee efficient provision of contracted services.
- Administrative Duties: Perform administrative duties required for the operation of the department, including managerial oversight of departmental personnel and departmental budget preparation and administration. Formulates and

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION

implements departmental policies, procedures, rules, regulations and guidelines.

- Attendance: Regular attendance during normal operating hours is required and prior approval of planned scheduled leave time is necessary to provide adequate coverage of these essential job duties. Any unscheduled leave taken can severely disrupt the operation of the Emergency Management Department.
- Perform other Duties as Required

Job Requirements Needed:

- Demonstrated ability to maintain information strictly confidential, a attention to detail and works courteously and effectively with staff and public, especially in emergency situations.
- Experience working with volunteers, especially fire and emergency medical responders and quasi-and non-governmental volunteer organizations strongly preferred.
- Strong familiarity of the National Incident Management System (NIMS) and the Incident Command System (ICS). In-depth knowledge of the Superfund Reauthorization Act (SARA TITLE 111), and ability to participate in an active role providing coordination and leadership in the federally mandated Local Emergency Planning Committee (LEPC) on all issues relating to the LEPC, to include a good working relationship with representatives of local industries and businesses who use, store or transports chemicals subject to the Tier Two required reporting.
- In-depth knowledge of emergency management and its structure, at the local, state and federal level. Practices, procedures and working knowledge of county governmental operations and organizations strongly preferred.
- Proficiency with data processing and database including: Microsoft Word; Excel; Power Point, Adobe PDF and Outlook. Ability to conduct grant research and prepare grant applications and reports.
- Associate's Degree required; Bachelor's Degree strongly preferred. Associates Degree should be commensurate with the job description.
- Certification as Firefighter I, Firefighter II and/or EMT-B or equivalent by the Commonwealth of Virginia or other state is required within 3 years of employment.
- Must have current or shall obtain at least one of the following Certificates within 3 years of employment: (1) Federal Emergency Management Agency (FEMA) Professional Development Series (PDS) Certificate*, or (2) International Association of Emergency Managers (IAEM) Certified Emergency Manager (CEM) or Associate Emergency Manager (AEM) Certificates. FEMA Advanced Professional Series (APS) Certificate strongly preferred.
- Time period for completion may be extended by the County Administrator with adequate progress.

Job Location and Conditions:

WASHINGTON COUNTY, VIRGINIA, POSITION DESCRIPTION
