

To Contractors for Invitation for Bids for Solid Waste Transportation and Disposal Services:

The following questions were received from vendors. In order to keep everyone informed, here are the questions and answers:

1. What equipment is required? For information on equipment, please see Attachment 1, Qualifications and Scope of Work of the Invitation for Bid for Solid Waste Transportation and Disposal Services.
2. Hours of operation for the transfer station and which location the waste will be going to? The hours of operation for the transfer station are 8:00am to 4:00pm Monday through Friday. The Invitation for Bid for Solid Waste Transportation and Disposal Services, Attachment 1, provides the details of the scope of work for solid waste transportation and disposal services. The location of a Sanitary Landfill would need to be determined by the bidder.
3. Could you also provide average tonnages for solid waste each day? Generally, 300 tons per day on Monday, 200 tons on Tuesday, 200 tons on Wednesday, 200 tons on Thursday, 300 tons on Friday, and 60 to 70 tons on Saturday.
