THERESA D. KINGSLEY-VARBLE
COORDINATOR

BOBBY OSBORNE, JR
DEPUTY COORDINATOR

DEPARTMENT OF EMERGENCY MANAGEMENT

In an effort to update our business contact information for our 911 dispatch center, each business is being asked to provide updated emergency contact information in the event we discover a problem at the business after hours. This contact information will be used in the event there is an incident on the exterior of the business where alarm systems may not be activated. It is important that we be able to contact you or your designee. In addition to the emergency contact information, if your business has public access AED's please list the location of those devices on this form so that we can add it to our system for medical emergencies at your business. Please fill out this form and return it by email to emergencyservices@washcova.com or by mail to: Washington County Department of Emergency Management 1 Government Center Place, Suite A, Abingdon, Virginia 24210
