

To Firms for Request for Proposal for Professional Audit Services:

The following questions were received from firms. In order to keep everyone informed, here are the questions and answers:

1. Have there been any disagreements or other issues with the current auditor? **No disagreements or other issues with the current auditor have occurred. For procurement purposes for professional services over \$80,000, the County is required to send out a formal request for proposal for those services.**
2. Do you anticipate federal funding maintaining a similar range or a substantial increase/decrease? **We anticipate federal funding to maintain a similar range. The COVID-19 funding will decrease as the funding is spent.**
3. What was the audit fee for the fiscal year 2024 audit? **The audit fee for fiscal year 2024 was \$76,500.**
