

Disaster Recovery & Resilience

Funding Opportunities for the Mount Rogers Region

Mount Rogers Planning District Commission

Has your property or community been affected by Hurricane Helene?

MRPDC is partnering with the Virginia Dept. of Conservation & Recreation (DCR) to identify unmet disaster recovery needs and connect localities and property owners with available state funding.

DCR — Dept. of Conservation & Recreation: Eligible Projects

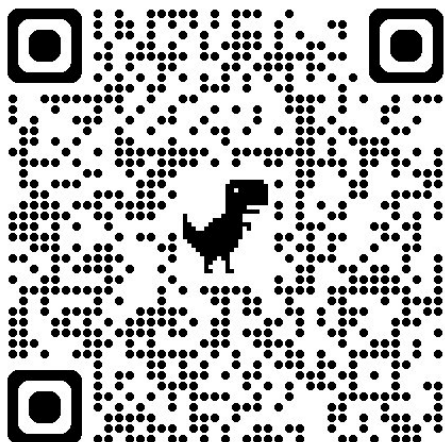

- Bridges & road crossings
- Culverts & drainage systems
- Streambank stabilization
- Flood mitigation
- Site restoration

How It Works

1. MRPDC visits your site
2. We document the damage
3. We apply for funding
4. You stay informed

What We Need From You:

- Share any existing damage reports or photos
- Allow access to affected sites for field review
- Tell us how the storm impacted your property or community
